COLLEGE PROFILE

ICON Commerce College, situated at Rajgarh Road, Chandmari, Guwahati-781003, is one of the most promising educational institutions of the state of Assam as well as India, imparting Commerce(B.Com), Arts(B.A.), Science(B.Sc), Management(BBA) and Computer Application(BCA) at Undergraduate level and Commerce (M.Com) at Post Graduate level. The college was established in the year 2004. The College is affiliated to Gauhati University and it is a Gauhati University permitted Examination centre. The College follows all rules and regulations of Gauhati University. The College provides Study Materials to its students, which are prepared by our learned and experienced faculty members. The College Library is rich in its collection of books and journals which are available for the students and faculty members. The College organizes Seminars and Workshops which help both the students and the faculty members to boost up their academic ability. The College organizes periodic discussions on emerging topics like, General Budget, Rail Budget etc. where the students and the faculty members are engaged in group discussions and they share their views.

The College organizes Annual College Week where indoor games, outdoor games, quiz and debating competitions, art and literary competitions and various other events are held to promote the latent skills and talent of the students of this College.

Classroom teaching is supplemented by interactive sessions with the students. Use of Power Point Presentation is another important feature of classroom teaching where the students in the classes are also involved. The College has a well equipped Computer Lab to impart Computer education to its students and also many of the classrooms are equipped with projectors and computers for smart classes. Apart from classroom teaching, Online Classes are also organised for the students through Zoom, Google meet and also WhatsApp groups are created where students interact with their subject teachers to clear their doubts related to their academic syllabus.

Students by and large who are admitted in our College maintain the sequence of gradual improvement over their earlier examinations. Many of the students are of average merit at the entry level. During their tenure of study in this College, most of them have remarkably improved themselves.

The College has a team of learned and experienced faculty members who impart quality education to the students and help the students in their all round development. All of our faculty members are experienced and are capable of handling academic matters in their

respective style, maintaining the desired standards. About one-third of our faculty members are involved in research works and are perusing Ph.D. Course. Among the faculty members most of them are Ph.D., M.Phil. , NET and SLET qualified. Our faculty members, as on today are found engaged in equipping themselves with the latest academic inputs and a person in teaching profession needs to synergize between acquiring knowledge on one hand and transmission of knowledge to the students on the other. This sustained endeavour on the part of our faculty members helps in building a good rapport with the students which is the need of the hour. Apart from delivering quality education, our faculty members are also engaged in maintaining overall record of development of each and every student of this College. Each faculty member is allotted a group of students to maintain development records and to co-ordinate with the students and help them in their academics.

The college is equipped with an in house canteen facility for refreshment of the staff and students at reasonable rates in a hygienic environment. Purified drinking water facility is available for all in the college campus.

The Arts Stream of Icon Commerce College occupies a proud position in the college primarily because it is the meeting point of students drawn from the entire North East. Year by year we have been welcoming students from different parts of Assam besides all the north eastern states notably Arunachal Pradesh, Meghalaya, Manipur, Nagaland, Mizoram and Agartala. Some of the aspects of this institutions are :

- Affiliation of B.A. Honours and Regular course under Gauhati University.
- Arrangements have been made for their stay in private hostels separately for boys and girls ensuring that the living conditions are satisfying and food provided to them is hygienic.
- We also make provisions for PG for both boys and girls in homes of respectable families close to the college campus at reasonable cost.
- We also take special pride at the fact that our faculty members take personal care of the needs of the students. The teachers give top priority to the welfare of the students to ensure that the students who are away from their homes do not feel isolated.
- The teachers also interact with the parents of the students as and when required to create an ambience of homeliness among students.
- We have selected for our students those subjects in the curriculum that are need based for them.
- We ensure that not a single class is missed. If situation arise we arrange virtual classes through Zoom or Google meet.
- The class routine is meticulously followed and the lessons are explained to them in

a learner-friendly way by using English in such a way that it is comprehensible to them.

- We also have the scheme of developing for them printed study materials which are prepared by faculty members which are made available to students free so as to give them an idea of the questions and answers from the examination point of view that have been very helpful to the students as we seen from our previous experiences.
- Our students who have passed out have got placements in good universities for their higher studies.

We also feel happy that after their interaction with faculty members, many of our students have decided on their aim in life with a preference for jobs in their respective states in the state civil and police services among others.
